

### **EnergySolutions names 3 scholarship recipients**

Heather Haderlie, a sophomore from Box Elder High School in Brigham City, has been selected to receive a \$25,000 scholarship from the EnergySolutions Foundation to study math, science or engineering in college.

Haderlie was one of three top students whose awards were announced by the foundation at a banquet Friday.

Other honorees include Morgan Torgerson, Wayne High, Bicknell, who will receive \$5,000, and Julie Andrus, Snow Canyon High, St. George, who will receive a \$2,500 scholarship.

They were selected from among 118 honorees from individual high schools.

Applications for next year's scholarships will be available in October at [www.energysolutionsfoundation.org](http://www.energysolutionsfoundation.org).
